## ABOUT ME

I'm a focused, creative 2D animator and character artist with a passion for hand-drawn animation and visual development. I'm an avid learner with a keen eye for detail, and I'm eager to expand my skills in a fast-paced working environment where I can collaborate with others.

## EXPERIENCE

### Co-Director / Producer, "Valerie" - Graduate Film

*September 2024 - May 2025*

- Wrote, designed and animated a 7-min 2D horror short alongside a co-director.
- Concepted and designed characters and paintings to be used in the short film.
- Completed rough animation, clean-up and colour throughout the project.
- Composited and edited the short film.
- Recorded and edited audio.

### 2D Animator / Artist, Jetpack Learning

*August 2023 - September 2024*

- Designed, storyboarded and animated educational games aimed at school-aged children.
- Created backgrounds, characters, elements, and props for web games.
- Determined the art direction for in-house projects.
- Created animated 2D sprites to be used in web games.
- Collaborated with a small semi-remote team of programmers to deliver projects in a timely manner.
- Communicated with clients to implement feedback.
